Dear Mr. Zumwalt:

Re: Mining and Reclamation Plan, Volumes 1 through 5, Utah Fuel Company, Skyline Mine, ACT/007/005, Folder #2, Carbon County, Utah

The Utah Division of State History has completed reviewing Utah Fuel Company's Mining and Reclamation Plan. Inadequate storage space has compelled State History to return their copy of the MRP to our offices. As our Division has sufficient copies we feel that by returning this extra volume you may find it useful.

Rick Summers of the Division's technical staff will be delivering this to your offices sometime on Monday, March 30, 1992.

Sincerely,

Daron R. Haddock  
Permit Supervisor
